'I'm going to use Grandma's recipe to make cookies for the school fair,' said Ann to her brother Alan. 'Look!'

Grandma's cookies

Ingredients:

- 100 g butter
- 75 g sugar
- 2 tablespoons golden syrup
- 175 g flour
- 100 g chocolate (Use your favourite chocolate bar!)
- 2 tablespoons milk

Steps:

- 1 First wash your hands. (Always wash your hands before cooking!)
- 2 Then beat the butter until it is soft.
- 3 After that add the sugar and mix together. Stir in the golden syrup and flour.
- 4 Next pour in the milk and mix well.
- 5 After that chop the chocolate into small pieces and add to the mixture.
- 6 Finally use a teaspoon to put the mixture into the baking tray. Bake in the oven for 8-10 minutes.

'Delicious!' said Alan. 'I'm going to make some decorations for the stall.' He looked at the steps for making stall decorations.

Stall decorations

You need:

- coloured paper or material
- glue
- string
- pens
- a stapler

Steps

- 1 First use sharp scissors to cut triangles from the paper or material.
- 2 Then fold the bottom of the triangles and unfold them again.
- 3 Next put the triangles in a line on a flat surface. Then lay a piece of string along the triangles.
- 4 After that fold the bottom of the triangles over the string. Leave 30 cm of string at each end. Staple the triangles with the string inside.
- 5 You can use glue to stick pictures onto the triangles or draw on them if you wish.
- 6 Finally hang the decorations on the stall.

Half an hour later Ann heard a noise coming from Alan's room. 'Help!' shouted Alan.

'What a mess!' cried Ann.

They tidied up together. It took a long time.

'How are your cookies?' asked Alan.

'Oh no!' said Ann. She raced to the kitchen. The cookies were hard and black.

'I'll help you make some more,' said Alan. 'Don't worry.'

At the school fair ...

'The cookies and decorations are great!' said Grandma.

'That's because we made them together!' said Alan.
