	I Am A Good Guy	-	By J.And	drew		
	People always regard me as a good guy,					
	Because I never tell a lie					
	and always keep my teachers' words in mind.					
I wanted to give my father a big surprise,						
so I bought him a beautiful tie.						
	I always give him the love of mine.					
	I just don't know why,					
	every time I give my sister a bicycle ride,					
	her tears fall and she begins to cry.					
Today is the last day of happy school life,						
	All of us really want to cry.					
	We wave and say goodbye.
