Ping is writing a letter to Uncle John.

Read the first part of the letter. Answer Questions 1 - 3.

Dear Uncle John,

How are you?

As you know, my family moved to Hong Kong only 6 months ago. We are still trying to get used to the life here. We have many neighbours and they are nice. I want to get to know them more.

I received my school report last week. I got 'A's in most subjects. My best subject was Maths, but I didn't do well in PE because I touched the football with my hands a few times in the exam. I heard my classmates giggle behind me. I was very unhappy when they did that, but then they showed me how to play football properly. We are good friends now.

My family went to our school concert last Saturday. I performed a dance and sang in the choir. All of us were really excited about the performance. Dad took many photos and Mum took a video.

Read the second part of the letter. Answer Questions 4 - 7.

Some of my classmates come from the Philippines, India and Thailand, but most of them are from Hong Kong. We all mix very well!

Dad said he will send Betty to my school after she finishes kindergarten. I think she will like it here.

Say hello to Grandpa and Grandma for me. They cannot use computers or smartphones, so I write letters to them too. This is good because I can practise my handwriting more.

Thanks for the birthday present you sent me last month. The teddy bear is soft like cotton. It's really comfortable to sleep with it!

Love,
Ping
