1 Dear students,

On behalf of Happy Primary School, I would like to give a warm welcome to the following new teaching staff.

**General Studies Teacher**

5 Mr Ben Lee is our new General Studies teacher. He is a graduate from the Hong Kong University. He studies Liberal Studies in university. He becomes a teacher because he loves children. He will be the class teacher of P.5A in the coming school year. Besides teaching General Studies, he will be teaching P.E.. His hobby is hiking and photography. He will organise trips to help us know more about the nature.

10 **Native English-speaking Teacher (NET)**

We have a new NET from New Zealand. Her name is Rosa Parker. She has taught English in many primary schools in China. She loves travelling and she loves Hong Kong. She will teach our lower primary levels. She wants to know more about Hong Kong and the Chinese culture. When you meet her at recess, share with her more about Hong Kong. She will teach a drama class after school.

**Music Teacher**

Miss Winnie Cheung is our new Music teacher. She is very active. She loves music and she would like to share with us her love of music too. She will organise a lot of activities such as concerts, musicals and singing contests. She believes that

20 'Everyone can be a musician if they enjoy music.' She is a green lover too. She will tell you more about how to protect the world and save energy at the Green Club every Friday after school.

Wish you a very happy and enjoyable school year.
