

4 My diary

Reading

Saturday 17th March

Wet

What a great day! Kelly wasn't here so I stayed in bed until 10 o'clock. In the morning I chatted with a new friend – Big Bear. Then we watched a cartoon.

In the afternoon we skipped and jumped on Kelly's bed. It was fun! We were happy.

Sunday 18th March

Sunny

I got up late in the morning again. After breakfast I listened to CDs. Then I painted a picture with Holly Dolly. Nobody was here to tell me what to do. I was very happy!

In the evening I was bored so I played computer games with Go-man. I love them! Then I tidied Kelly's bedroom because it was very messy. There were lots of toys on the floor. After that, I was tired so I didn't watch my favourite cartoon.

Kelly: Oh! Lucy! Are you OK? I'm sorry I visited Grandma without you. Were you bored?

Lucy: That's alright. My weekend was fantastic.
