Part 1

**Narrator** : Bob is listening to the weather report on the radio. Listen carefully and answer Questions 1-5. You have 30 seconds to study the questions. You may start now. Listen carefully. The weather report will begin now.

**Host** : Good evening. Welcome to the 10 o'clock late night news. Here is an update report about Typhoon Macy. The Observatory issued Typhoon Signal Number 9 at 8 o'clock this evening and is now still in force. Strong winds and heavy rain brought by Typhoon Macy have affected all areas of Hong Kong, especially the Western side of the New Territories. In Yuen Long, the streets are seriously flooded and over 15 cases of fallen sign posts have been reported. Five landslides have also been reported. Many houses in the villages of Yuen Long are blown down or destroyed by fallen trees and rocks. Until now, no injuries have been reported. The police and the fire department are saving the trapped villagers and moving them to safety. Community centres are opened for all affected people.

On the Hong Kong Island side, several main roads in Shau Kei Wan need to be closed because of the heavy rain. A bus was hit by a truck and a taxi crashed into a bus stop. A total of 27 people were hurt and sent to hospital. In Sheung Wan, the entrance of Sheung Wan Hotel was destroyed by the flood but no injuries were reported.

Moving on to transport conditions, the MTR is the only type of public transport that is in service. Limited MTR trains are running every 25 minutes. The Hong Kong Macau Ferry Terminal is crowded with people because no ferries are allowed to be sailed.

Typhoon Macy is slowly moving towards Hong Kong at a speed of 15 kilometers per hour. It is expected to arrive at the centre of Hong Kong in one hour. There will be stronger winds and heavier rain in the next five hours. The Observatory may issue a higher Typhoon Warning Signal if necessary. Citizens are advised to stay indoors. This is the end of the weather report. We'll bring you the latest news of Typhoon Macy at 12:30. Stay tuned.

05 Narrator : Bob is making a phone call to complain about a hotel. Listen carefully and answer Questions 6-10. You have 30 seconds to study the questions. You may start now. Listen carefully. The conversation will begin now.

Denise : Good afternoon! Customer Association. Denise Chan speaking. How may I help you?

Bob : Hello! I would like to complain about a hotel I stayed at yesterday.

Denise : Not a problem. May I have your name, sir?

Bob : My name is Bob Lam.

Denise : OK, Mr Lam. May I have the name of the hotel and its location, please?

Bob : I am having a vacation in Hong Kong and I stayed at a hotel called Cozy Hotel in Mong Kok yesterday.

Denise : So, what happened during your stay at Cozy Hotel in Mong Kok?

Bob : Wait a minute. I mixed up the hotel that I was staying at. I actually stayed at Easy Hotel in Yau Ma Tei last night instead.

Denise : Alright. So what was the problem?

Bob : First of all, I waited for an hour in a boiling hot lobby to get my room. I can't believe there was no air-conditioning at the lobby on a hot summer day! At first, I thought that was OK because it usually doesn't take long to check-in. However, I was wrong. For some reason, the staff at Easy Hotel said they couldn't find my reservation. I have booked a room almost 2 months before my trip. I even showed them the receipt. In the end, it took them almost an hour to get my room! I almost melted at the lobby!

Denise : That sounds awful!

Bob : Well, there's even more to it. When I entered the hotel room, it was messy and dirty. I was so tired after everything so I decided to take a shower first. However, there was no hot water available. So I had to take a cold shower. When I went to bed, I found that the bed was dirty as well. There was some leftover food on it!

Denise : I'm sorry to hear that, Mr Lam! Would you like to add anything else?

Bob : Yes. I called up the manager and told him everything. He then shouted at me saying that was what I got when I paid for a low-priced hotel. It's terrible! I hope you'll take action against this hotel.

Denise : Definitely! Our staff will pay a visit to the hotel tomorrow and issue a fine or a warning letter if necessary. May I have your e-mail address, please?

Bob : It is boblam@gomail.com.

Denise : Thanks. We will let you know the results within two weeks. Thank you for calling, Mr Lam.

Bob : Thank you. Goodbye.

Narrator : Check your answers now.

06 Narrator : Bob and his sister are talking about buying a tablet computer case for their mum. Listen carefully and complete the order form for Bob. You have 30 seconds to study the form. You may start now. Listen carefully. The conversation will begin now.

Bob : Kate, Mother's Day is around the corner. Shall we buy a tablet computer case for Mum as a gift?

Kate : Sure, why not?

Bob : Here's an order form for Orange Shop. Let's fill this in. Let's start with the tablet model.

Kate : I think Mum's using CTH CG50.

Bob : That's the old one. She's using CG86 now.

Kate : Oh, OK. Which colour should we get?

Bob : Hmm. Mum's tablet is white and she likes blue very much. Let's get her a blue one with a cover so she can keep the screen clean.

Kate : Good idea! Hey! The form says '20% off for two or more items.'. Let's order an extra one for our tablet computer too. What about a black one with cover?

- Bob : I don't think black would be a good choice. If the case gets dirty, you won't be able to notice. How about a grey one without the cover?
- Kate : Let's go with that! A grey one without cover.
- Bob : OK. Let me write that down.
- Kate : Here they need us to choose where to pick up the cases.
- Bob : Hmm. How about Wan Chai?
- Kate : Wan Chai sounds good.
- Bob : Oh wait! They have a store in Chai Wan too! It's closer to us. Maybe we can pick up the cases there instead.
- Kate : That's a good idea too.
- Bob : OK. So let's tick this box.
- Kate : Which day should we pick up the cases?
- Bob : Let's see. I have basketball practice on Tuesdays. I also have a computer classes on Wednesdays and Fridays. Maybe Thursday?
- Kate : But I've got Debate Team meetings every Thursday and Saturday.
- Bob : Well, there's only one day left.
- Kate : OK then. Last but not least, what's your phone number again?
- Bob : You don't remember it? It's six-two-seven-four double-one double-nine. Don't we have to fill in the order date as well? Is today the eleventh of April?
- Kate : No! That was yesterday. Today is... Great! Let's send it out now!
- Narrator : This is the end of Section A. Please go on to Section B.

## Reading and Writing

### Section B

#### (Section B-1)

17. B

19. C 學生可以在烹飪班中學習烹製簡單的菜餚和甜點。由於他們會製作甜點，可以推斷他們會使用烤箱烘烤食物。此外，活動是由著名廚師舉辦，而不是學校老師。所需的工具和配料由學校準備，學生不需要自己攜帶。因此，答案是選項C。
20. D                      21. C

### Section C

Suggested answer:

Hi Thomas,

Yesterday after school I went home by bus.

On the bus, I saw two of my schoolmates. One of them tried to snatch the soft drink out of the other's hand.

Then, they started to run along the aisle. Both of them tried to catch each other so as to get the soft drink.

When I was about to get off the bus, the bus stopped suddenly. One of the naughty kids tripped over and spilled his drink all over my pants and shoes! I didn't know what to do!

The two naughty boys apologized quickly. A passenger nearby gave me some tissues to dry my pants and shoes. I hope they will not do that again.

Yours,

Bob
