Kelly is writing the letter to Charles. Read her letter and write the best answer in the .

Dear Charles,

I am very happy to become your new pen-pal. I was very excited to receive your first letter with the photo yesterday. I hope that we can learn from each other as our lives are so different.

Your home looks very large and is surrounded by snow. Mine is very small and it's usually hot here. I live very close to my school and I can get there on foot. You have to travel miles by bus every day. Don't you find it tiring, and sometimes rather dangerous with all snow about? I am afraid I've never tried skiing or played ice-hockey, but I like to relax at the end of the day in front of the TV.

My father is a taxi driver and often has to work at night. My mum works in office. It's just a small company, so she does all sorts of different jobs. I have a younger brother and we sometimes build aeroplanes together. That's my favourite pastime.

Hope to hear you soon,
Kelly
