May wrote a story in the English lesson at school. Read the story and answer the questions in complete sentences.

Milly is a lovely cat. She lives with her mother in a house beside a forest. Milly has two good friends. They are Daisy and Lily.

One day, Milly played hide-and-seek with Daisy and Lily. They ran happily into the forest. There were many tall trees in the forest. Milly was good at climbing trees. She climbed to the top of a tree. There was a cage at the top of the tree. Milly did not know what it was. She went into the cage. 'Now they cannot find me,' Milly said. When Milly went inside the cage, it closed. Milly could not go out! She shouted, 'Help! I am in danger.' But nobody came.

One hour later, Daisy and Lily found Milly. Milly cried loudly. They helped Milly get out of the cage. Then Milly stopped crying and laughed happily.
