### The Three Bears

One day, Mama Bear, Bibi Bear, Bob Bear and Bobo Bear went for a walk. Mama Bear was tired. She fell asleep. The little bears wanted to go to play in the forest.

The three bears went to a forest. Bob Bear played with a ball, Bibi Bear jumped high and Bobo Bear climbed up a tree. They were happy.

Suddenly, Bibi Bear and Bob Bear fell into a net. They were afraid.

In the end, Mama Bear saved them because Bobo Bear ran to tell her. The little bears learnt a lesson that they should not go to the forest by themselves. What an unforgettable day!
