### On the Beach

Peter and his mum go to the beach. It is a sunny day. They bring different kinds of food, like sandwiches, potato chips and chicken legs. Peter also suggests bringing his favourite drink, Coca Cola. Peter eats a lot of food but he is still hungry, so Mum gives Peter her last packet of chips. After eating that packet of potato chips, he throws away the package on the beach. Mum feels very angry because he is very naughty. Mum tells Peter that he should not litter on the beach. He needs to throw the rubbish to the bin.
