

The Three Bears

One day, Mama Bear was so tired that she slept near a big big rock. The three little baby bears, Gigi, Jaco and Rex, were happy because they can play in the forest. Then Rex ran to the forest first.

When Gigi and Jaco arrived at the forest, they saw Rex climbing the tree. They played with Rex. Jaco played the ball; Rex climbed the tree and Gigi jumped up and down. They were really excited.

Suddenly, Rex fell into a net. Gigi and Jaco said, 'Where are you, Rex?' One hour later, they called Mama Bear.

When Mama Bear found Rex, she bit the net. Rex was free. At last, Mama Bear shouted at the bears because they should have told her before they went to the forest.
