

Billy's Problem

Billy ate too much today and he felt sick in the basketball competition.

In the morning, Billy had a big breakfast. He ate many different kinds of food like chocolate, a cup of soft drink, hamburgers, many packets of French fries and chicken legs. He was very full.

In the afternoon, his Class 4D had a basketball competition with Class 4C in Yuen Long Stadium. He put on his jersey eleven. He was smart. He wanted to get the prize. Later, he felt weak and trembling. Then he fall down in the court. He stopped playing the competition.

He sat on a bench next to the court. He was disappointed and unhappy. His friend comforted him. Now, he learnt that he should not eat too much before doing sports.
