

Ellen's Diary

3rd November (Sat)

Weather: Stormy

I had a bad day yesterday. Mum asked me to do a few things for her but it was not easy at all!

In the morning, my mum asked me to water the plants. A cat jumped into my house when I was watering the plants. "Bang!" The cat broke the flower pots. I was shocked. I wanted to catch it but it ran away immediately!

In the afternoon, Mum asked me to return the books to the library. I arrived at the library with a big bag of books. The computer system in the library was broken down. I needed to bring the books back home. They were so heavy. I was very upset.

In the evening, my mum asked me to buy a carton of eggs in the supermarket. I got the eggs from the fridge and walked to the cashier. Suddenly, a boy ran past me when I was holding the eggs. The eggs dropped on the floor and they were all broken. I shouted to the boy angrily but he didn't apologize. Finally, I got another carton of eggs and went home with an unhappy mood.

I had a very bad day yesterday. It was the unluckiest day in my entire life!
