

### Island Surprise

Derek and his brother, David wanted to look for treasure on an island. One day, they set off for an island. The weather was sunny and hot. They also bought binoculars and the map. They started to use their boat to go to the island.

Everything went perfectly fine, until the waves started to get bigger and bigger. Suddenly, the sky turned dark and it started raining like cats and dogs. It was terrible. The waves were so powerful that their boat flipped over and everything fell into the ocean.

Since their boat sank, they had to swim for a long time. They were very tired. They couldn't handle it anymore. They thought of all the fortune that they could have, so they kept swimming. The weather slowly got better. When they arrived, they were very happy but they felt very light-headed.

'Hello?' a mysterious voice said. 'Huh? What happened?' asked Derek and David. 'You had a heat stroke and you both fainted. Oh, I'm Lavender. By the way, I'm a mermaid that could heal anyone with my singing voice,' she said. 'I can help you return home but only in one condition! You need to bring me "the Heart of the Sea". It's a pearl that gives me more power!' she said. 'OK! I'll give you it! Just please take us home!' said Derek. Derek looked for the pearl and then gave it to her. She ate it and helped them. At the end, they got home and lived happily ever after.
