

Mama Bear and Baby Bears

One day Baby Bears and Mama Bear are at home. Mama Bear says, 'I want to rest.' Then the baby bears say, 'Sure!' So Mama Bear sleeps but the baby bears are bored.

Then Baby Bear Tom, Baby Bear Ben and Baby Bear Mary go to the forest. They play ball games. Later, they are hungry. They see a tree. There are lots of apples so they climb up the tree. Suddenly, Ben falls down from the tree. A net catches him. He shouts, 'Help me!' He is afraid. The other bears don't know how to save him so they shout, 'Mama Bear, help!'

Mama Bear hears the shout. She finds the baby bears' footprints and runs to the forest. At last, she can find her children but Tom is still in the net. Mama Bear uses her claws to tear off the net so Tom, Ben, Mary and Mum can go home. They are happy. What a lucky day!
