A Memorable Christmas

I went to Japan with my parents last Christmas. We did some sightseeing in Tokyo. We went to Mountain Fuji. We took many beautiful photos there.

We went to Tokyo Disneyland next day. We rode on the rides. We felt excited. We saw many cartoon characters and took photos with them. In the evening, we played the fireworks.

Then we went to a Japanese restaurant. We tried to eat sushi and sashimi. They were delicious.

What an unforgettable journey!
